Danyelle Ferguson : A Christmas of Hope before purchasing it in order to gage whether or not it would be worth my time, and all praised A Christmas of Hope:

0 of 0 people found the following review helpful. Friends giving us hope encouragementBy ReneeI really enjoyed this story. Would love the author to write a series about each of the friends. It is a story about friends, family, trials, and hope. I liked it so much I bought this author's next book Sweet Confections.2 of 2 people found the following review helpful. Wait...what?By SallyBWTThe writing is good - only a couple of misplaced commas - but there is a serious lack of actual story. A Christmas of Hope feels more like an introductory chapter than a complete short story. Reading this was more like reading three commercials for full novels than getting any closure from even a short story. I'll look for more from the author, but only novel length stories from now on.0 of 0 people found the following review helpful. Tired, lonely, needing a hug? Hug yourself withthis book, and feel the triumph from friends.By LiannaI recalled the overwhelming feelings of being a Mom to 4 children, and the hardships of my day to day struggles and my Daughter was Microcephalic. It was similar in many ways. I enjoyed her friends who came to help, and her heart that was still so much in shared pain. Her feelings of triumph and dispare as well as her tiredness. Hurray for great friends and Christmas!

A Christmas of HopeA Holiday Short Story with Bonus ContentForget the eggnog. Throw away the candy canes. Christmas is going all wrong this year.Struggling through her first Christmas as a single mother, Holly can't decide if she should use the little energy she has left to clean the kitchen or wrap holiday gifts. Especially when all she wants to do is sink into bed and embrace the oblivion of sleep. When her friends from the local autism support group arrive full of holiday cheer, Holly pastes on a smile and tries to fake the fa-la-la. Can the power of laughter, ribbons and bows pull Holly out of Grinch mode? Or is Christmas doomed to end up like a plate of misshapen Santa cookies?BONUS CONTENTEnjoy the first five chapters of Sweet Confections - winner of the 2015 RONE Award for Best Contemporary Sweet Romance Novel.Plus a sneak peek at the 1st chapter of Love Under Construction, coming out in 2016.
